INTRODUCTION

Kannan Arumugam is a seasoned Strategy and Operations Leader, specialising in enterprise-wide transformation, cross-functional execution, and process optimisation. He has over 20 years of experience across ecommerce, retail, CPG, healthcare & transportation. He earned his MBA from the Kellogg School of Management and has led high-impact initiatives for brands like FTD, Sears Holdings, Blistex & Delta Air Lines. Kannan brings a strong track record in general management, project coordination, and operations optimisation—delivering measurable results and business clarity. His expertise spans programme leadership, strategic planning, supply chain, and KPI-driven decision-making, blending a consulting background with hands-on execution. Known for his analytical mindset and people-first approach, Kannan helps organisations simplify complexity, align teams, and accelerate transformation.

HOW I CAN HELP YOUR BUSINESS

- **Strategy & Transformation Leadership** – Lead end-to-end change initiatives and revenue growth programmes that enhance performance and align cross-functional teams.
- **Operations Optimisation** – Drive efficiency and cost savings through improved vendor management, inventory planning, forecasting, and partner negotiations.
- **Strategic Programme Delivery** – Step into critical leadership roles to guide large-scale transformation, ensuring alignment, execution discipline, and measurable business outcomes.
- **Process Improvement & Data Analysis** – Improve forecasting, reporting, and business operations with data-driven decision-making and cross-functional collaboration.
